THE EARL OF DERBY AS A

POLITICIAN. The death of Edward Geoffry, Earl of Derby, the fourteenth Harl," as he so proudly called himself when resisting the "childish tinkering" if life peerage making in the case of Lord Wengleydale, closes on epoch. With him passes away the embediment of the age of Parliamentary partizanship. For those who remember the force party struggles that characterized the period anterior to the repeal of the Corn laws, the searching taunts, the sharp retort, the cutting gibes, the staggering charge of apostacy, the cruate rhetoric, the happy quotations, in which no one ever equalled the deceased; that gave so keen a zest to those encounters, it must be difficult to awaken an interest in the passionless and all but puerile "discussions" and marionetta "divisions" of the present, turning, for the most part, not on The possible existence of another survivor of the question shall certain measures pass or not.

and aloft go all the flying kites, but the breeze both which propositions were carried, and a deck han a deck of knowledge in which Lord Derby was utterly the hands of the wretches about her. She flung Could Lord Durby himself have suspected that

paid will be sent via Suez. F. W. MITCHELL General Post Office.

Hongkong, 9th December, 1869. It is hereby notified for general information. by order of His Excellency SIR RICHARD GRAVES MACDONNELL, that henceforward Book Packeta, and Packets of Patterns or Sun. plos of Merchandize may be transmitted through the Post by the Mails made up to the forwarded both by the British Contract Packets and by Private unips, between this Office and each Agency thereof in Ohma and Japan, vist Canton, Swatow, Amoy, Foodhow, Ningpo, and also between any two of these Agencies, at the following rates of postage, which must be

paid in advance, viz. ;-Not exercding 4 oz..... Above 4 oz., and not exceeding 8 oz. 12 Every additional 4th. Special attention is directed to the following rules and regulations, which will be strictly

AS REGARDS BOOKS. A Book Packet may contain any mumber of separate Books, Almanacks, Mans or Prints. and any quantity of paper, vellum or parchment (to the exclusion of letters whether scaled or open); and the Books, Maps. Paper, &c., may be either printed, written by plain, or any mix-- All legitimate binding, mounting or of a

ture of the three. portion thereof, will be allowed, whether such miding be lose or attached; as also rollers in the case of prints, markers (whether of paper or otherwise.) in the case of Books, and in chart whatever is necessary for the safe transmission of literary or artistic matter or usually appertains thereto. livery Book packet must be either, without a cover, or in a cover open at the ends or siles.

It must not contain any letter, open or scaled, for any sealed encludare whatever; the name and address of the sender is however not only per mitted, but recommended, so that If the cover come off, or for my other reason the packet cannot be forwarded, it many be returned." No packet must exceed two feet in length, breadth or depth, exceeding these diprensions it cannot be forwarded through the Post. As REGARDS PATTERNS. They must not be of intrinsic value. This

rules excludes all articles of a sulcable nature, and indeed, whatever may have a value of its lown, apart from its more use as a pattern pand the quantity of any material sent estensibly us a pattern, must not be so great that it our fairly is considered as having on this ground an ntripate value. There must be no writing or marks other than the address of the person for whom the market is intended, and that of the sender, a trade mark and numbers, and prices of the articles; other-

wise the Packet will be detained or forwarded! charged an unpaid letter. ends, so as to be easy of examination. Samples. however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, tied at the neck; bags so closed that they cannot readily be opened, even although they be transparent, must not be used for this purposes. Non compliance. with this rule, will also subject the packet to be detained or forwarded as an unpaid letter.

The Packets, or the contents thereof, must not contain any inclosure, scaled or otherwise closed against inspection. In all other respects the general regulations of the Book Post between Hongkong and the Inited Kingdom will apply to the Patiern Post. Under these regulations, in order to prevent

forwarded. The decision of the Postmaster General us to the eligibility of any Packet, pattern, or sample . contained therein, to be forwarded under these regulations, will be final and conclusive. The rule which forbids the transmission through the Post of any article likely to injure. the contents of the Mail Bags or Boxes, or the person of any Officer of the Fost Office, is, of course, applicable to the Pattern Post; and a cles such as the following have been occasionally and China fruit, vegetables, hanches of flowers, dies, pins, pieces of machinery, sharp pointed of various kinds, only combs, copper and steel I. W. MITCHELL.

Expedition. New York Lancra ! Ouplain C. F. Hall, the eminent Arctic explorer, who has just returned to New Bulford from a five years' search for the remains of Sir the land John Frinklin's companions, has written an interesting letter, which appears below to Mr. Henry Grinnell, giving the details of his cruise. together with the unmistake tile evidences of the fate of Sir John and his party. Although the evidences found are conclusive as to the fate of the party, Captain Hall is confident that if a large and well or anised expedition should spend one summer on King William's Land, expedition would be found. These manuscripts | Apply to are supposed to be buried in a viult a little

The last of sir John Franklin's

inland or eastward of Cape Victory, the captain ut one time being within seventy-five miles of there ; last a stampede of the natives necom ; panying him as an escort forced bim to retrace his steps. From the imperfect description given by the Esquimanx of the condition of Crozier's party of 105 men, the captain is satis. Messrs. A. Boynn & Co. Apply to find that they were suffering from the schryy, as DOUGLAS LAPRAIK & Co. nothing but sickness would have kept so experienced an Arctic traveller as Croxier from the game which was in abundance within seventy-five milen of where he and his party perished. The relies brought back number about 160 and were as many as could be conveniently entried, although there were hundred of them in possession of the natives. Those brought back were obtained of the natives through the (with them) all powerful agency of presents-a needle being considered a fair ornivalent for a silver fork or spoon. It is not at present the intention of Captain Hall occupied by R. Ezekiel Esq. Possession to prosecute further the search for the remains of Sir John Franklin. His great desire is to reach the North Pole, and to accomplish this end an effort will probably be made to obtain. Clovernment aid in fitting out and monning ur expedition to giart nest animiner. The magnifude of the undertaking almost precludes the ibility of obtaining aid from private indivi-

"Repulse Bay, June 20, 1860" "Henry Grinnell-Dear Sir,-This day have returned from a sledge journity of ninety. days to and from King -William's Land I was my purpose, and every preparation was made, to make this journey last season; but my Road; and till lately in the occupation of U. H attention then baving been called to Molville Mondan, Esq-Penimul in the vicinity of Fary and Hecla Straits, where native report had it that white men had been wen, I directed my expedition there by way of Am i toke, Oog lik iele. Ig loolik with the ardent hope and expectation, of resening alive some of Sir John Franklin's last compunious. The result of this journey was the finding of a tenting place of a few white men and a atme pillar they had creeted close by it at the bottom of Parry Bay, which i some fifty miles south of the western outlet of Fury and Heela Straits, and the visiting of several places where white men and their traces bad been seen by natives of Ig-loo-lik and vicinity in or about the years 1889-7. I also gained much information from the natives of Ly-loo-lik, North Oog-lik is'e, and thereabouts, that confirmed the report I had heard in the winter of 1867.8, which !-I have already stated. And still further proofs of this report have been also obtained on my with Five rooms and Garden. Water laid on, late visit to King William's Land My sledge Bath rooms, &c. Apply to Journey to the straits of Fury and Hecla, and thence down to Parry Bay and back to Repulse

"SEELETONS OF FRANKLIN'S CREWS. William's Land may be summed up thus 1 None of the Harbor. Address A. B., Daily Press of Sir John Franklin's companions ever reached Office. or died on Mankreal Island: It was late in July, 2161. Hongkong, 16th November, 1869. 1848, that Crozics and his party of about fortyfive passed down the west coast of King Willinm's Land in the vicinity of Cape Herschel. The party was dragging two sledges on the seaice, which was nearly in its last stage of dissolution-onea large sledge laden with an awningcovered bout, and the other a small one, laden with provisions and camp material Just before Grezier and party arrived at Cape Herschel. they were met by four families of natives, and both parties went into camp near each other. Two Esquimaux men, who were of the native P Wanchat. I party, gave me much sad, but deeply interesting city. Apply to information. Some of it stirred my heart with andness intermingled with rage, for it was a confession that they with their companions did secretly and hastily abandon Crozier and his party to suffer and die for need of fre h pro- O. 4. Poohili Terrice, Elgin Street. Appl visions, when, in truth, it was in the power of the natives to save every man alive. The nevt trace of Crozier and his party is to be found in the skeletons which M'Clintock discovered a little below, to the southward and eastward of Cape Herechel. This was never found by the natives. The next trace is a camping place on the setshore of King William's Land, whout three miles eastward of Pieffer River, where two men died and received Christian burial. At this place fish bones were found by the natives. | HE commodious Business Premises lately which showed them that Gregier and his party in the occupation of Mesers. SMITH, had caught while there a species of fish excel. ARCHER & Co., situated at Spring Gardens, lent for fond, of which the ses there abounds, and consisting of a Large Three Storied Deel-The next trace of this party occurs some five thing House containing 22. Rooms, with outor six miles eastward, on a long, low point of bouses and Stables attached; two large dry and King William's Land, where one man died hivy Golowns, capable of holding 10,000 picula and was buried. Then about S.S.E., two and a each; with Offices and Private rooms over the half miles further, the next trace occurs on same. The whole having a frontage on the Todd's Islet, where the remains of five men lie. Praya of 210 feet, with use of a private wharf, The next certain trace of this party is on the west side of the inlet west of Point Richardson. on some ow land that is an iskind or a part of put in thorough repair. the mainland, as the tide may be. Here the awning-covered boat and the remains of about thirty or thirty-five of Crozier's party were found by the native Po-oyet ta, of whom Fir John Ross has given a description in the account of his voyage in the Victory, 1829 31. In the spring of 1849 a large tent was found by some of the natives whom I saw, the floor of which was completely covered with the remains Water laid on. of white men. Close by were two graves. This tent was a little way inland from the head of Terror Bay. In the spring of 1861, when the show was nearly all goue, an Esquimous party, conducted by a native well known throughout the Northern regions, found two boats, with many skeletons in and about them. One of these boats had been previously found by M'Clinto k; the other was found lying from one quarter to one half mile distant, and must have been completely entombed in snow at the time M'Olinkock's parties were there, or they most accuredly would have seen it. In and about this boat, besides the many akeletons alluded to, were found many relice, most of them similar. in character to these M'Clintock had enumerated as having been found in the boat he dis--covered. The native who conducted this native party in its search over King William's Land is
